DeckRite Canada is proud to announce our distributor for Ontario.

DeckRite Canada is pleased to introduce our new distributor for our products in Ontario. We are pleased to introduce:

Gibson Roofing Supplies...A Family Run Company...A little history.

Since Gibson Roofing opened its doors, Our goals have remained the same: To source and supply the roofing products and services that make your business the best choice for your customers....**We Want Your Customers To Be Happy.**

In business for over 10 years, Gibson Roofing Supplies has built an enviable reputation in the industry as a reliable, reasonable and knowledgeable supplier of roofing products.

Our 6 points to success have been, **One Stop Ordering, Quality Products, Always In Stock, Better Delivery, Custom Project Pricing, Courteous and Professional Service.**

Gibson Roofing Supplies currently has 5 location to service southern Ontario roofing contactors with 1 more planned in the very near future.

When DeckRite Canada was looking to open Eastern Canada, our goal was to align our company with a distributor that had the same core values in business as us. We were fortunate to find Gibson Roofing Supplies.

We have met with all the key staff at all their locations and strongly believe that we have partnered with the **RIGHT** company.

They are committed to.....**quality, service and on time delivery, it's a shared belief.**

DeckRite Canada is looking forward to this unique business partnership, we welcome **Gibson Roofing Supplies** to our family of Dealers and Distributors.
